

Ahmed Bahaeddine Ben Gayess

Full-Stack Web Developer – JavaScript

ahmed.b.gayess@hotmail.fr

+216 52 743 212

Highly motivated, self-taught full-stack web developer seeking opportunities to extend my skills in building web applications. Enthusiastic achiever with a good background in JavaScript and some of its related technologies and with good problem-solving skills. I enjoy being challenged and develop projects that require me to work outside my comfort and knowledge set.
